Thank you so much for your contribution to the Future for Christ Church community project.

Christ Church is a fantastic and important historic building, but to meet the needs of the community it desperately needs a kitchen and toilets and to restore its heritage features.

Please can you help?

Our target is £137,000 to add to the £447,000 secured so far, including a fantastic £239,761 National Lottery Heritage Fund grant for a community project to explore, restore and celebrate the special heritage of Christ Church.
